Fluor Corporation (“Fluor” or the “Company”) has determined that it is unable to file its Annual Report on Form 10-K for the year ended December 31, 2019 (the “Form 10-K”) within the prescribed time period without unreasonable effort or expense. As disclosed in the press release dated February 18, 2020, which was also furnished on Form 8-K on such date, the Company is reviewing its prior period reporting and related controls, as well as completing its preparation of the 2019 financial statements. A special committee of the Board of Directors is independently conducting the review with the assistance of external advisors.
